CERT class in Solvang March 31- May 5

All classes are held from 6 - 10 PM

Your Santa Barbara County Fire Department and the Cities of Buellton and Solvang invite you to protect and serve this wonderful Valley we all call home.

Started by Los Angeles City Firefighters after the deadly earthquake in Mexico City in 1985, this FEMA approved 24-hour class trains volunteers from throughout the community to assist emergency service personnel during large natural disasters.

This fun, informative class covers many of the various techniques necessary to help keep yourself and family safe. But it doesn't stop there. By learning these invaluable skills you can be a part of a bigger network of volunteers that come to the aid of neighbors and people you may have never met. It's a rewarding and satisfying experience. Sign-up today. Space is limited. Be ready when the next big disaster strikes. It will happen. It's just a matter of time.

Held at the Veteran's Memorial Hall (Small Hall)
1745 Mission Drive
