Every reasonable effort will be made to provide an accessible work environment for such employees and applicants.

B. Disabled Applicants and Employees

Employment practices (e.g., hiring, training, testing, transfer, promotion, compensation, benefits, and discharge) will not discriminate against disabled employees or applicants. The City will engage in the interactive process, as defined by the Americans with Disabilities Act (“ADA”) and the Fair Employment and Housing Act (“FEHA”), to determine whether an applicant or employee is able to perform the essential functions of his/her position. During this process, the City will examine possible reasonable accommodations that will make it possible for the employee or applicant to so perform.

2. **Reasonable Documentation of Disability.** Following receipt of the request, the Human Resources Director may require additional information, such as reasonable documentation of the existence of a disability or additional explanation as to the effect of the disability on the employee’s ability to perform his/her essential functions, but will not require disclosure of diagnosis or genetic history.

3. **Interactive Process.** The City will engage in the interactive process, as defined by the FEHA and ADA, to determine whether an applicant or employee is able to perform the essential functions of his/her position. During this process, the City will examine potential reasonable accommodations that will make it possible for the employee or applicant to so perform. Such interactive process will include a meeting with the employee or applicant, the City, and, if necessary, the employee or applicant's health care provider.
4. **Case-by-Case Determination.** The City determines, in its sole discretion, whether reasonable accommodations(s) can be made, and the type of reasonable accommodations(s) to provide. The City will not provide an accommodation that would pose an undue hardship upon the City or that is not required by law. The City will inform the employee of any decisions made under this section in writing.

 - (4) When a supervisor observes or receives a reliable report of an employee's possible lack of fitness for duty. Observations and reports may be based on, but are not limited to, employee's own self-report of potential unfitness, dexterity, coordination, alertness, speech, vision acuity, concentration, response to criticism, interactions with the public, co-workers, and supervisors.
 - b. The results of all medical examinations will be kept confidential. Examination results for newly hired employees and employees transferring to another position will be kept in the employee's

confidential medical file. No employee will hold any position in which the employee is not able to perform the essential functions of the job, with or without reasonable accommodation.

C. Prevention of Harassment/ Discrimination/Retaliation

1. In addition, City policy prohibits retaliation because of the employee's opposition to a practice the employee reasonably believes to constitute employment discrimination or harassment or because of the employee's participation in an employment investigation, proceeding, or hearing.
2. Employees who believe they have been harassed, discriminated against, or retaliated against, should report that conduct to the City, and the City will investigate those complaints. For more information regarding the policy and complaint procedures, employees should review the City's policy against harassment, discrimination, and retaliation.

RULE II. CLASSIFICATION

SEC. 2.1 PREPARATION OF PLAN

The Personnel Officer shall ascertain and record the duties, responsibilities, minimum standards, and minimum qualifications of all Positions in the City and shall recommend a classification/compensation plan for all Positions to the City Council for adoption. The classification/compensation plan need not be contained in only one document, but may be comprised of various documents. The classification/compensation plan shall consist of Classes of Positions defined by Class specifications or job descriptions, including the title. The classification/compensation plan shall be so developed and maintained so that all Positions substantially similar with respect to duties, responsibilities, authority, and character of work are included within the same Class, and that the same schedules of compensation may be made to apply with equity under similar working conditions to all Positions in the same Class. The classification/compensation plan will contain the General Salary Schedule and a General Benefits Schedule.

SEC. 2.2 ALLOCATION OF POSITIONS

Following the adoption of the classification/compensation plan, the Personnel Officer shall allocate every Position in the Classified Service to one of the Classes established by the plan.

SEC. 2.3 NEW POSITIONS

SEC. 2.4 RECLASSIFICATION AND REALLOCATION

If the Personnel Officer determines that the assigned duties for a Position have been materially changed by the City so as to warrant reclassification, to a new or already created Class, the Personnel Officer shall determine whether to recommend that the Position be reclassified by the City Council and reallocated by the Personnel Officer to a more appropriate Class following adoption of an amended classification/compensation plan by the City Council. Reclassifications shall not be used for the purpose of avoiding restrictions concerning demotions and promotions, nor to effect a change in salary in the absence of a significant, ongoing change in assigned duties and responsibilities.

The Personnel Officer shall consider input from the incumbent Employee in the Position and from the Department Director but shall have sole discretion in determining whether to recommend reclassification of a Position to the City Council.

SEC. 2.5 CLASS SPECIFICATIONS/JOB DESCRIPTIONS

A. The Personnel Officer with the assistance of the Department Directors will prepare written job descriptions for each Class of positions.

Job descriptions are not restrictive. The job descriptions, shall not be construed as an all-inclusive list of tasks performed; or be interpreted as restricting the assignment of related tasks not specifically listed therein; or as limiting the authority of supervisory personnel to assign, direct and control the work of subordinate employees. A Department Director may assign other related duties and responsibilities or otherwise direct the work of employees.

C. Substantive revisions to job descriptions that are associated with substantive changes to the duties performed by a particular Class shall be subject to approval by the City Council. Non-substantive changes, such as to reflect previous, gradual changes to the conditions in which work is currently performed or to improve accuracy in describing the Class or Position title or non-substantive details associated with job duties already performed, may be approved administratively by the Personnel Officer and are not subject to approval by the City Council.

- a. The City shall not ask any applicant for employment to disclose, through any written form or verbally, at any time, information concerning an arrest or detention that did not result in conviction, or information concerning a referral to, and participation in, any pretrial or posttrial diversion program, or concerning a conviction that has been judicially dismissed or ordered sealed pursuant to law, including, but not limited to, Sections 1203.4, 1203.4a, 1203.45, and 1210.1 of the Penal Code.
- b. Unless otherwise required by law, the City shall not ask an applicant for employment to disclose, orally or in writing, information concerning the conviction history of the applicant, until the City has determined that the applicant meets the minimum employment qualifications, as stated in any notice issued for the position. The job announcement for the position in question will advise whether a lawful exception to this provision applies, such as for positions subject to the stringent requirements of Public Resources Code Section 5164.
- c. Applicants who are invited to participate in an interview following initial screening for minimum qualifications will be requested to

complete a supplemental application regarding criminal conviction history for review by the City, and a background screening, as part of the examination process.

2. Examination Process and Background Screening

- a. Examinations shall be conducted and used to aid in the selection of qualified employees. They shall consist of recognized selection techniques that will fairly test the qualifications of candidates and shall be job-related. Examinations may include, but are not limited to, written tests, personal interviews, performance tests, physical agility tests, evaluation of daily work performance, work samples or any combination thereof. The Human Resources Director may set minimum standards for all tests.
- b. All employees will have their fingerprints submitted for clearance through the California Department of Justice and other agencies as deemed appropriate. Fingerprints will be submitted using the "LiveScan" process and in accordance with applicable state, federal, and local laws regarding the LiveScan process.

- d. Upon scoring of all selection components, the names of applicants will be placed on eligibility lists, ranked according to scores.
- e. In case of tied scores, the following rules shall apply:
 - (1) For purposes of placement on the list of eligibles, if an applicant who has a tied score is a veteran, as that term is defined in Section 50088 of the California Government Code, or as may be amended, the tie will be broken in favor of the veteran, such that the veteran will be placed at a higher position than the non-veteran.
 - (2) All other candidates with tied scores shall be listed in alphabetical order.

B. Duration of Eligibility Lists.

- 1. Eligibility lists shall become effective upon the Personnel Officer's certification that the lists represent the relative evaluations of the candidates whose names appear on them.

2. Unless otherwise provided in these Personnel Rules, eligibility lists shall be effective for a period of one (1) year from the date of their establishment, provided that the Personnel Officer may extend the period not to exceed an additional twelve (12) months. The Personnel Officer may abolish for cause an eligibility list at any time and request a new recruitment and the preparation of a new eligibility list for any Class or position. Two (2) or less names of qualified candidates available for appointment on an eligibility list constitutes sufficient cause for abolishing an eligibility list, but is not the sole reason constituting cause.

C. Removal of Names from Eligibility Lists. The Personnel Officer may remove the name of any eligible candidate from an eligibility list for any of the following reasons:

1. On evidence that the eligible candidate cannot be located by postal authorities. Failure to reply within five (5) business days to a letter requesting information as to availability for appointment, or failure to notify the Personnel Officer of any change of address resulting in the return of letters without forwarding by the U.S. Post Office, will be considered grounds for removal. A candidate who is notified of his/her removal under this section may request in writing that the Personnel Officer restore his/her name to the eligibility list. Such a request may be granted if, in the Personnel Officer's sole discretion, an acceptable reason exists for the candidate's failure to reply to a notice requesting availability for appointment or failure to file a notice of a changed address. Upon receipt of a verbal or written statement from the eligible candidate declining appointment and stating that he/she wishes his/her name to be removed from the eligibility list.
2. If an offer of regular full-time employment in the Class for which the eligibility list was established has been declined by the eligible candidate.
3. If an eligible candidate on a promotional eligibility list leaves the City service.
4. After a determination has been made by the Personnel Officer that the candidate does not meet job-related standards.

D. Availability of Candidates. It shall be the responsibility of eligible candidates to notify the Human Resources Department in writing of any change of address or other change affecting availability for consideration for appointment.

E. Disqualification based on Criminal Conviction History.

1. If the supplemental application or a subsequent background screening discloses a previous criminal conviction, the Personnel Officer will take into account a number of factors in determining whether to disqualify the applicant or rescind a conditional offer, if any. Such factors may include the nature of the position, nature of the conviction, length of time since

conviction and completion of any resulting incarceration or probation. If the Personnel Officer disqualifies the candidate based on the conviction, the City will provide written notification along with a copy of the criminal history report, if any.

F. Conditional Offer of Employment:

All job applicants are required to submit to a physician's examination, and depending on the Position, may also be required to submit to a drug screen, at the City's expense, upon being made a conditional offer of employment. No job commitment shall be made until a negative drug screen result is obtained, where applicable, and a physician has certified that the applicant is medically fit to perform the essential functions of the Position, with or without reasonable accommodation. When the applicant reports to the medical facility for the scheduled examination, personal identification shall be provided to the facility in the form of a photograph and verifiable signature (for example, a driver's license). All test results will be kept confidential. The applicant will be told whether the tests were passed or failed, but only the Human Resources Director, the Personnel Officer and their assistant(s) will have access to the test results, on a need-to-know basis.

However, when the demands of the services are such that it is not practicable to give such notification and if it is not practicable to delay appointment until a new eligibility list can be certified, the Appointing Authority may make a provisional appointment to the Position. As soon as practicable, but not longer than six (6) months after a provisional appointment has been made, the Human Resources Director may cause an examination to be prepared, and all Positions filled provisionally shall be filled by an appointment from an eligibility list. Such reinstatement action may, at the discretion of the Appointing Authority, take precedence over any eligibility list except a reemployment list. Any person so reinstated shall be subject to a new Probationary Period of the same length as established for new appointees to a Position in the Class, unless excused by Personnel Officer.

RULE VII. **PERFORMANCE REPORTS**

SEC. 7.1 POLICY

It is the policy of the City that periodic and regular reports be made as to the efficiency, competency, conduct and merit of its employees. To this end, it is the responsibility of

the City Manager and the Department Directors that these ratings be made. It is the responsibility of the Human Resources Director to provide and prescribe the forms and procedures to be used in such reports of performance so that the program of performance reporting will be carried on in a sound, timely, and effective manner.

SEC. 7.2 AUTHORITY TO MAKE REPORTS

Department Directors shall have the authority to prepare reports of performance for those employees within his/her department. If the employee is eligible for a step advancement, and the Department Director determines that the employee's performance so warrants, he/she may recommend to the City Manager that the employee receive the step advancement retroactively to the salary anniversary date.

SEC. 7.4 REVIEW WITH EMPLOYEE

It is acknowledged that one of the prime benefits of a sound performance rating system is that it can bring together the employee and his/her Department Director in a frank and constructive discussion and appraisal of the employee's work and the specific ways in which it may be improved. Therefore, each performance report shall be thoroughly discussed with the employee with this view in mind. The employee shall sign the report to acknowledge its contents. Such signature shall not necessarily mean the employee

2. Any employee who receives an overall rating of "unsatisfactory" or of "improvement needed" (or equivalent i.e. "does not meet expectations") will not receive any merit salary increase during the period following the report, except as provided in subsection 5 below.
3. Any employee who receives an overall rating of "unsatisfactory" or of "improvement needed" (or equivalent i.e. "does not meet expectations") may be subject to a Performance Improvement Plan, as provided in subsection 7.6.B., below.
4. In any case, where an employee receives an overall rating of "unsatisfactory" on two (2) consecutive occasions or "improvement needed" (or equivalent i.e. "does not meet expectations") on three (3) consecutive occasions, Disciplinary Action shall be taken by the Appointing Authority as provided for in these rules, if such action has not already been taken.
5. If an employee who has been denied a merit salary increase improves his/her performance to such an extent that the Appointing Authority believes a merit salary increase is now justified, the Appointing Authority shall indicate the improvement on a report of performance form and may specifically award a merit salary increase. Additionally, in awarding the merit salary increase under this subsection, the Appointing Authority may change the merit salary increase anniversary date to the date of the award of the merit salary increase or may permit the anniversary date to remain

the same. Any merit salary increase awarded under this subsection shall not be made retroactive.

B. Performance Improvement Plan:

1. The Personnel Officer may authorize the use of a Performance Improvement Plan following an employee's receipt of an overall rating of "unsatisfactory" or "improvement needed" (or equivalent i.e. "does not meet expectations") in his/her most recent performance report, or upon request of a Department Director whose other efforts to have an employee conform to the Department's policies and procedures or other standards of performance have not been successful.
2. A Performance Improvement Plan is not a disciplinary action, and should not be used in place of appropriate disciplinary action.
3. A Performance Improvement Plan shall detail the specific reasons that performance is deficient or non-compliant, requirements for improvement, the number of special and/or regular evaluation periods that the Plan is intended to be in place, and a schedule for review of the employee's progress under the Plan.
4. The employee will receive an opportunity to meet with his/her Department Director or the Personnel Officer to provide input into the terms of the Performance Improvement Plan before the Plan takes effect. However, in the Personnel Officer's discretion, the Performance Improvement Plan may take effect prior to expiration of the employee's time to respond to his/her performance report; as set forth in Section 7.4.
5. The Personnel Officer shall retain discretion to determine at any time that an employee under a Performance Improvement Plan has not demonstrated reasonable improvement and that the Plan should be discontinued.
6. The Personnel Officer may further determine at any time that Disciplinary Action is warranted to address an employee's insufficient performance or other misconduct in accordance with Rule XII.
7. If the Personnel Officer determines that the employee has demonstrated sufficient improvement under the terms of the Performance Improvement Plan, and the employee then maintains acceptable performance over the full period of the Performance Improvement Plan, then the Plan shall be considered "successful."
 - a. After the completion of a "successful" Performance Improvement Program, the City shall maintain a record of the Program in the employee's personnel file.

8. If the Personnel Officer determines that a Performance Improvement Plan has not been "successful," or that the employee's performance has regressed in the evaluation period following completion of a "successful" Performance Improvement Plan, the Personnel Officer may determine that disciplinary measures are warranted in accordance with Rule XII.

RULE VIII.
HOURS OF WORK/OVERTIME

SEC. 8.1 POLICY

It is the policy of the City that eight (8) hours shall constitute a day's work and five (5) days shall constitute a week's work, for all Full-Time Employees, except that work days and work weeks of a different number of hours may be established in order to meet the varying needs of the different City departments where permitted by law.

SEC. 8.2 WORK WEEK

The work week shall be seven (7) consecutive twenty-four (24) hour periods starting at 12:01 a.m. on Monday and ending at midnight on the following Sunday.

SEC. 8.3 DAILY HOURS OF WORK

Daily hours of work or shifts for employees within departments shall be assigned by Department Directors as required to meet the operational requirements of said departments. The normal work shift for employees is eight (8) hours per day.

SEC. 8.4 CHANGE IN WORKING HOURS

Any foreseeable absence or deviation from scheduled working hours desired by an employee shall, in advance, be cleared in writing through the office of the Human Resources Director, and such absence shall be noted on the employee's time sheet.

SEC. 8.5 OVERTIME AND COMPENSATORY TIME OFF

A. Overtime Compensation:

1. Employees shall not perform work outside of their regularly scheduled shifts unless requested to do so by a Department Director or with advance written authorization from a Department Director. This requirement applies to, but is not limited to:
 - a. Work performed before the start of the shift;
 - b. Work performed during meal periods;
 - c. Work performed after the end of the shift; and
 - d. Other work performed "off the clock" including work performed at home.

2. All employees shall take reasonable measures wherever feasible to avoid the need for work to be performed outside of their regularly scheduled shifts. Where required, time spent on such work shall be kept to a minimum.
 3. Department Directors shall adhere to the following guidelines in requesting or assigning work outside an employee's regularly scheduled shift:
 - a. An employee who may be required to perform work outside the regular shift shall be notified of the apparent need for such work as soon as practicable prior to when the work is expected to begin.
 - b. When practicable, opportunities shall be made available on an equal basis to employees capable of performing the work.
 4. Non-exempt employees shall be paid at one and one-half times the employee's regular rate of pay for all hours worked in excess of forty (40) hours in a work week. Vacation, sick leave, holidays, jury duty and compensatory time off shall not be considered hours worked. Although no Department Director shall be entitled to any compensation for overtime work, Department Directors shall receive management leave as specified in Section 9.13.
 5. Employees shall be subject to discipline, up to and including termination, for violation(s) of this section.
- B. Compensatory Time Off: Employees may elect to convert earned overtime to compensatory time off at the rate of one and one-half (1½) hours for each hour actually worked, subject to the prior approval of the Department Director. Employees may not accrue more than eighty (80) hours of compensatory time off. Employees shall be permitted to use compensatory time off within a reasonable period of time after the employee makes a request, provided that it does not unduly disrupt the City's operations. "Unduly disrupt" shall mean that it would impose an unreasonable burden on the City's ability to provide services of acceptable quality and quantity for the public during the time the employee requested off. Compensatory time off shall be used within one (1) year from the time overtime was performed. If the Department Director is unable to schedule and grant the time off within one (1) year, cash payment shall be made at the employee's current rate of pay in lieu of compensatory time off. An employee whose employment is terminated for any reason shall be paid for all unused compensatory time off at a rate of the higher of (1) the average hourly rate the employee earned during the last three (3) years of employment; or (2) the final hourly rate earned by the employee.

SEC. 8.6 REST BREAKS

Non-exempt employees shall be entitled to a paid 15-minute break for every four (4) hours worked. Such time shall be considered hours worked.

SEC. 8.7 MEAL PERIODS

- A. Non-exempt employees are entitled to unpaid, thirty minute meal periods during which they shall be entirely relieved of responsibilities and restrictions. Such time shall not constitute hours worked.
- B. Department Directors shall schedule meal periods to ensure appropriate coverage.
- C. Non-exempt employees who work during their meal periods shall be paid for time worked.

RULE IX. **LEAVES OF ABSENCE**

SEC. 9.1 HOLIDAYS

- A. The following days shall be recognized and observed as paid holidays:
 - 1. New Year's Day (January 1)
 - 2. Martin Luther King Jr.'s Birthday

 - 8. Veteran's Day (November 11)
 - 9. Thanksgiving Day
 - 10. Day After Thanksgiving Day
 - 11. Christmas Eve (December 24)
 - 12. Christmas Day (December 25)
- B. For purposes of this Rule, a holiday will be considered to be "observed" by the City solely on those days on which City Hall would usually be open but is closed due to the holiday.
- C. If a holiday falls on a Sunday and is observed nationally the following Monday, the City will observe the holiday on the following Monday.
- D. Full-Time and Probationary Employees shall receive one (1) day's pay for each of the holidays listed above for the number of hours they would have been scheduled to work.
- E. Whenever a holiday falls on a Saturday or Sunday and is not otherwise observed by the City, the employee will be granted an additional vacation day for each Saturday or Sunday holiday worked.
- F. If any employee works on the day the City observes any of the holidays listed above (excluding Admission Day), he/she shall be paid for all hours worked at

the rate of two (2) times his/her hourly rate of pay and shall be granted a different day off in lieu of the holiday.

- G. Birthday Holiday: Each employee is entitled to one paid holiday in celebration of his/her birthday. The employee is required to observe this holiday on a date that falls within the period from seven calendar days before to seven calendar days after the employee's birthday. If the employee is unable to observe the birthday holiday during this time period because the Department Director has determined that it would cause a hardship to the department or to the City, the City Manager can approve an exception in writing to permit the employee to observe the birthday holiday at a later date in the same calendar year. An employee who does not observe his/her birthday holiday in the time period specified, and does not request an exception before the expiration of the birthday holiday observation period, shall not be permitted to observe the birthday holiday that year. A birthday holiday has no cash value and shall not be paid out or carried forward.

SEC. 9.2 VACATION

- A. Full-time Regular and Probationary employees in all classifications shall accrue vacation, on a daily basis, according to the following schedule:
1. From the date of hire through five (5) years of service: ten (10) days per year.
 2. Beginning the sixth year through ten (10) years of service: fifteen (15) days per year.
 3. Beginning the eleventh year of employment: twenty (20) days per year.
- B. The City Manager may in his/her sole discretion, permit a Department Director to accrue vacation on a schedule other than as specified in Section 9.2.A. The City Manager shall specify the applicable schedule in writing at the time of hire.
- C. The maximum number of vacation days that may be accumulated by an employee is forty (40) days. Once an employee reaches the maximum accumulation, he/she shall cease vacation accrual until his/her total number of vacation hours falls below the maximum allowable.
- D. A maximum of five (5) vacation days per calendar year may be converted to compensation and shall be paid at the employee's rate of pay at the time of the conversion.
- E. An employee may also convert an additional five (5) vacation days per calendar year to compensation, which shall be paid at the employee's rate of pay at the time of the conversion, provided that the employee takes an additional five (5) days of vacation off work during the same pay period in which the conversion occurs.

- F. At termination of employment for any reason, the City shall compensate the employee for the employee's accumulated vacation time at the employee's straight time rate of pay at the time of termination.
- G. The City will not require an employee to take vacation time in lieu of sick leave or leave of absence during periods of illness. However, the employee may elect to take vacation time in case of extended illness constituting a "serious health condition" within the meaning of the City's Family Care and Medical Leave, Pregnancy Disability Leave, and Military Family Leave Policy where sick leave has been fully used.
- H. If a holiday falls on a work day during an employee's vacation period, that day shall be considered as a paid holiday and not vacation time.
- I. Vacations may be scheduled at any time during the year upon written approval of the Department Director.

SEC. 9.3 SICK LEAVE

A. Definitions:

1. Immediate Family: Immediate Family means a biological, adopted, or foster child, stepchild, legal ward, or a child to whom the employee stands *in loco parentis*; biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or of the employee's spouse or registered domestic partner, or a person who stood *in loco parentis* to either the employee or the employee's spouse or domestic partner as a minor; or an employee's spouse, registered domestic partner; grandparent; grandchild; or sibling, including half-siblings.

 - (4) Extension of Bereavement Leave to which an employee is entitled under Section 9.4.

3. Full-Time Employees: For purposes of this policy a “Full-Time Employee” means any Regular or Probationary Full-Time Employee, as defined in Section 1.4.B.18.
4. PTS Employees: For purposes of this policy a “PTS Employee” means any employee who is not a Full-Time employee, including, but not limited to, part-time, temporary, and seasonal employees.
5. New Hires: For purposes of this policy, a “New Hire” refers to any employee hired to work at the City on or after July 1, 2015.
6. Employees: For purposes of this policy the term “Employees” without further modification includes all City employees, regardless of status or hire date.

B. Eligibility:

All Employees are eligible to accrue and use paid sick leave in accordance with the applicable terms of this policy.

C. Waiting Period Prior to Use of Sick Leave by New Hires:

All New Hires must complete an initial, one-time 90-calendar day waiting period before using sick leave. Employees who leave City employment before completion of the 90-day waiting period are not entitled to use any sick leave. However, New Hires who return to City employment within 12 months of separation will have their sick leave balances restored in accordance with Section 9.3.H and need only complete the remainder of the 90-day period before becoming entitled to use available sick leave.

D. Accrual:

1. Full-Time Employees

Full-Time Employees shall earn sick leave at the rate of 8 hours per month. There shall be no limit on sick leave accrual.

2. PTS Employees

- a. PTS Employees will receive a bank of 24 hours of sick leave on July 1, 2015 or on the first day of the next month following their first date of employment, whichever is later. New Hires must satisfy the waiting period set forth in Section 9.3.C. before using any time from the sick leave bank.
- b. The City will provide an additional bank of 24 hours of sick leave on January 1 of each subsequent calendar year to each PTS employee.

- c. PTS Employees shall accrue no additional sick leave beyond the 24-hour bank and shall have no right to carry over banked hours from year to year.

E. Notice:

1. Unscheduled Time Off: An Employee shall contact his/her immediate supervisor prior to the commencement of the assigned work shift, or as soon thereafter as is practical, to report absence from work due to a Permitted Use of Sick Time. Consideration shall be given to emergency situations that restrict the employee from contacting his/her immediate supervisor prior to his/her assigned work shift, including, but not limited to accident, injury, or hospitalization.
 - a. An employee shall notify his/her immediate supervisor before the employee leaves the work site prior to completion of the work shift due to any unscheduled Permitted Use of Sick Time; however, the employee need not provide the reason that sick time is needed to the immediate supervisor.
2. Scheduled Time Off: Notice of time off for scheduled appointments involving a Permitted Use of Sick Time such as personal medical appointments must be provided to the Department Director at least one week in advance of the appointment, whenever feasible. Every effort should be made to schedule such appointments at times that do not conflict with the City's work schedule.
 - a. The employee shall again notify his/her immediate supervisor before the employee leaves the work site prior to completion of the work shift due to the scheduled Permitted Use of Sick Time.

F. Medical Certification or Other Documentation:

Employees off work on sick leave for a period of four or more consecutive days may be required at any time to provide a doctor's note or other relevant documentation certifying that the reason for the employee's absence is a Permitted Use of Sick Time, and if the employee is unable to return to work, stating how long the employee is expected to be unable to do so.

G. Return to Work:

For any absence of four more or days due to an employee's own illness or injury, the supervisor may require that the employee provide a note from his/her physician, releasing the employee with or without restrictions, before the employee may return to work.

H. Reinstatement of Unused Sick Leave Balances:

An Employee who separates from employment with the City and returns to active employment within 12 months of his/her separation date shall have his/her unused sick leave balance reinstated, up to a maximum of 24 hours. For purposes of this provision, unused sick leave is leave that was accrued, but never taken by the Employee, and that was not converted to Personal Leave under Section 9.5.

I. Retention and Inspection of Records Pertaining to Sick Leave:

The City shall keep records documenting the hours worked and paid sick leave accrued and used by an employee for three years. Upon reasonable request, and within 21 calendar days after the request, the City shall afford current and former employees the right to inspect or copy records pertaining to their hours worked and paid sick days accrued and used. Access to all other personnel records shall be governed by Rule XIX.

J. Abuse of Sick Leave:

Employees who do not comply with this policy, including providing insufficient notice of sick leave or using sick leave for reasons other than for a Permitted Use of Sick Time, are committing abuse of sick leave, which is grounds for discipline, up to and including termination. The City reserves the right to take reasonable steps to determine whether an employee is abusing sick leave, including, but not limited to, attempting in-person or electronic communication with an employee using sick leave, identifying and tracking consistent patterns of sick leave use, such as in connection with weekends, holidays, and scheduled days off, and considering social media content or other relevant evidence that is either publicly available or shared voluntarily by other employees or interested individuals.

K. Retirement Credit for Sick Leave:

When an employee retires under the California Public Employees Retirement System (CalPERS), a credit for his/her unused sick leave shall be converted to additional service credit at the rate of 0.004 years of service credit for each day of unused sick leave (i.e., 250 days of sick leave equals one additional year of service credit) per CalPERS contract with the City.

SEC. 9.4 BEREAVEMENT LEAVE

- A. Employees are entitled to paid bereavement leave in the event of death in their immediate family. Bereavement leave is a separate benefit from other paid leaves; however, sick leave may be used to supplement the periods provided in Section 9.4.B.
- B. Employees will receive up to three (3) working days of paid bereavement leave per calendar year, per immediate family member. Employees who provide documentation demonstrating a need for their attendance at a distance greater

than 300 miles from the City may be permitted up to a total of five (5) working days of paid bereavement leave, at the discretion of the Personnel Officer.

- C. For purposes of this Section 9.4, "immediate family" shall have the same definition as in Section 9.3.A.1. Requested exceptions to this definition may be approved in advance at the sole discretion of the Personnel Officer.

SEC. 9.5 PERSONAL LEAVE

- A. Full-time Employees may convert sick leave to personal leave in accordance with the procedure set forth in this Section. On January 1 of each year, if an employee has a minimum of ten (10) days (80 hours) of accumulated sick leave, ten percent (10%) of that accumulated sick leave will be available for conversion to, and use as, personal leave, during that calendar year. For example, an employee with twelve (12) days of sick leave on January 1 would have available 1.2 days of personal leave.
- B. No employee is required to convert sick leave to personal leave. However, when sick leave is converted and used as personal leave, the amount of the personal leave used will be deducted from the employee's accumulated sick leave balance. Thus, in the example above, if the employee used the 1.2 days of personal leave before earning any additional sick leave, the employee's accumulated sick leave balance would be 10.8 days.
- C. Any additional sick leave accrued, but not used, during the calendar year will be added to the employee's accumulated sick leave balance for calculating the amount of personal leave that will be available for the following calendar year.

SEC. 9.6 MILITARY LEAVE

Military leave shall be granted in accordance with Section 395 of the Military and Veteran's Code and the Federal Uniformed Services Employment and Reemployment Rights Act.

SEC. 9.7 JURY DUTY

- A. This policy shall apply to full-time and probationary employees in all classifications.
- B. An employee summoned for jury duty will immediately notify the Human Resources Director. While serving on a jury, he/she will be given a leave of absence, with pay, for the duration of said jury duty. Said leave of absence with pay is conditional upon the employee returning to work upon his/her dismissal each day to complete his/her normal work day. It is also conditional upon the employee's conveyance to the City of any compensation received as a juror, not including any travel allowance received.

SEC. 9.8 VOTING LEAVE

In accordance with California *Election Code* sections 14000 and 14001, if a registered voter does not have sufficient time outside normal working hours within which to vote at general direct primary or presidential elections, he/she may take off such working time as will enable him/her to vote. The scheduling of the time referenced above shall be subject to the approval of the Department Director and shall normally be at the beginning or end of a work shift. A maximum of two (2) hours may be taken with pay. The employee must provide two (2) days notice of the need for voting leave.

SEC. 9.9 ELECTION OFFICIAL LEAVE

Employees serving as an election official shall be permitted leave in order to so serve. Such leave is unpaid, but, at their option, employees may request to use vacation leave to serve as an election official. An employee taking leave to serve as an election official is required to give his/her Department Director at least ten (10) days notice before the date of the election in which the employee is to serve as an election official. Employees serving as an election official are required to provide their Department Director with proof of service prior to taking leave.

SEC. 9.10 LACTATION BREAKS

- A. In accordance with California and federal law, the City will provide an employee with reasonable unpaid time off and an appropriate area for the purpose of the employee expressing breast milk for the employee's infant child.
- B. For purposes of this Section 9.10, an "appropriate area" is a place other than a bathroom that is in close proximity to the employee's work area and that is shielded from view and free from intrusion by other employees and the public. The City will consider input from the affected employee but retains sole discretion in identifying an "appropriate area" on a case-by-case basis.

SEC. 9.11 UNPAID LEAVES OF ABSENCE

- A. Upon the request of the employee and the recommendation of the Appointing Authority, a leave of absence without pay may be granted by the Council or City Manager to an employee, who immediately preceding the effective date of such leave, shall have completed at least one year of continuous service.
 - 1. An employee shall not be entitled to a leave of absence as a matter of right, but only upon good and sufficient reason.
 - 2. Request for leave of absence without pay shall be made in writing to the Human Resources Director, and shall state specifically the reason for the request, the date when it is desired to begin the leave, and the probable date of return. The Human Resources Director will transmit the request to the Council, in the case of leaves of more than one hundred twenty (120) days. A request for a leave of one hundred twenty (120) days or less may be approved by the City Manager, upon recommendation of the

Appointing Authority. A physician's statement will be required of employees who request leave of absence without pay as a result of a medical condition. However, employees are not required to include information regarding diagnosis.

3. A leave of absence without pay may be granted by the Council for a period not to exceed one year provided that the Council may extend such leave for up to an additional year.
 4. An employee shall be entitled to reinstatement in his/her regular position upon completion of the authorized period of leave.
- B. The Appointing Authority may grant a leave of absence without pay for a reasonable period of time to any employee who is injured on the job, or has a "serious health condition" within the meaning of the City's Family Care and Medical Leave, Pregnancy Disability Leave, and Military Family Leave Policy even though the employee does not meet the one year of continuous service requirements as specified in Section 9.11.A.
- C. A leave of absence without pay granted by the Appointing Authority or the Council under Section 9.A. or 9.B. shall not be construed as a break in continuous service or employment, and rights accrued at the time leave is granted shall be retained by the employee. However, vacation credits, sick leave credits, increases in salary and other similar benefits shall not accrue to a person granted such leave during the period of absence. An employee reinstated after leave of absence without pay shall receive the same step in the salary range he/she received when he began his/her leave of absence. Time spent on such leave without pay shall not count toward service for increases within the salary range, and the employee's salary anniversary date shall be set forward one month for each thirty (30) consecutive days taken.

SEC. 9.12 UNAUTHORIZED LEAVES OF ABSENCE AND FAILURE TO RETURN FROM LEAVE

- A. An employee may be considered to have voluntarily resigned from his/her employment with the City under any of the following circumstances:
1. Absence from his/her job for more than two (2) working days without compliance with applicable notice requirements under these Rules;
 2. Any action taken during a leave of absence from the City that is inconsistent with an intention to return to employment with the City, such as accepting full-time employment with another employer;
 3. Failure to return to employment following the expiration of an authorized leave of absence, unless the City permits extension of the leave.
- B. The City shall provide written notice to employees who are considered to have voluntarily resigned. The notice shall describe the facts on which the voluntary

resignation is based and the right to petition the Personnel Officer for reconsideration.

- C. Employees who are considered to have resigned under Section 9.12.A. can petition the Personnel Officer for reconsideration by submitting a written statement within five (5) days of the date of notice. The Personnel Officer shall review the employee's statement to determine if good cause is present, and shall decide whether the employee's voluntary resignation will be withdrawn.
- D. Any unauthorized absence may be cause for Disciplinary Action as provided in Rule XII.

SEC. 9.13 MANAGEMENT LEAVE

Department Directors shall receive eight (8) days of management leave per calendar year, which may be used at the Department Director's discretion, with advance approval by the City Manager. During their first year as a Department Director, they shall obtain a pro rata amount of management leave commensurate with the time remaining in the calendar year. Management leave may be carried forward from year to year. The maximum number of days that may be accumulated by an employee as management leave is sixteen (16) days. Once an employee reaches the maximum accumulation, he/she shall cease accrual of management leave until his/her total number of vacation hours falls below the maximum allowable. Department Directors will be compensated for management leave at the time of termination of employment at their straight time rate.

SEC. 9.14 SICK LEAVE DONATION POLICY

- A. Purpose: The purpose of this Policy is to establish a program and procedures for employees to volunteer to donate a portion of their accumulated sick leave time to fellow employees who meet the criteria for eligibility in Section 9.14.B. There have been occasions when an employee, due to a catastrophic illness or injury, has exhausted all forms of paid time off. Such seriously ill employees have been forced to go without compensation for a length of time. This Policy is designed to address such circumstances. Participation by donors or recipients in the Sick Leave Donation Program is entirely voluntary.
- B. Sick Leave Donation Banks: The Sick Leave Donation Program will allow an employee to request that a Sick Leave Donation Bank be established on his/her behalf. A Sick Leave Donation Bank shall not be established unless the City Manager or the City Manager's designee has approved the employee's request. Leave donations will be credited to a particular recipient's Sick Leave Donation Bank and will be for use by that designated recipient only.
 - 1. Eligibility of Employee for Sick Leave Donations: To be eligible to receive approval for establishment of a Sick Leave Donation Bank on his/her behalf, an employee must meet all the following conditions:

- a. Must meet the criteria for use of sick leave in accordance with Section 9.3; and,
- b. Must have been employed by the City in a full-time Position for at least one year; and,
- c. Must submit a confidential statement from a treating physician which indicates that the employee's absence is due to a qualifying reason under Section 9.14.B.2. and estimates the duration of the employee's absence from work; and,
- d. Must have applied for long-term disability insurance, if any, or for Workers' Compensation benefits, if eligible, and have authorized the City to integrate any such awarded benefits with available leave balances; and,
- e. Must have exhausted all earned leave balances (including sick, vacation, compensatory time, and management leave). However, the Human Resources Director may approve the solicitation and acceptance of sick leave donations prior to all balances being exhausted when the physician's statement and existing leave balances indicate that all such balances will be exhausted within the next two pay periods.

2. Qualifying Reasons to Request Donated Sick Leave:

- a. For purposes of Section 9.14 a "qualifying reason" to request donated sick leave is one of the following:
 - (1) The employee has a "serious health condition" that requires the employee's absence from work for longer than two (2) pay periods, including intermittent absences that are related to the same "serious health condition"; or
 - (2) The employee is caring for an "immediate family member" who has a "serious health condition" that requires the employee's absence for longer than two (2) pay periods.
 - (3) The employee needs additional time off after the death of an "immediate family member," beyond his/her entitlement under Section 9.4.
- b. For purposes of this Section 9.14, a "serious health condition" has the same meaning as in the City's Family Care and Medical Leave, Pregnancy Disability Leave, and Military Family Leave Policy.
- c. For purposes of this Section 9.14, an "immediate family member" shall have the same definition as in Section 9.3.A.1.

3. Sick Leave Donation Bank Guidelines: Leave donations will be credited to a recipient's Sick Leave Donation Bank on an hour-for-hour basis, regardless of the hourly pay rate of any particular employee. While using leave from the recipient's Sick Leave Donation Bank, the recipient will be treated as though he/she was merely using the recipient's own sick leave. Thus, the recipient will accrue additional vacation or sick leave, as usual, during the use of hours from the Sick Leave Donation Bank. Any hours of donated sick leave remaining in the Sick Leave Donation Bank at the time the Bank is abolished will be returned pro rata (in proportion to the number of hours each employee donated) to all employees who donated to the Sick Leave Donation Bank. The donated hours used by the recipient are taxable to him/her in accordance with Internal Revenue Service regulations and are subject to withholdings as required by law.
- C. Leave Donations: Donations of sick leave are subject to the following requirements:
1. Minimum Donations: Participating employees must donate a minimum of four hours from their accumulated sick leave balance. No donation from an employee will be permitted that would result in the donor's accumulated sick leave balance, immediately after the donation, being below eighty (80) hours of accumulated sick leave.
 2. Whole Hour Donations: Leave donations must be in whole hours. No fractions of hours may be donated.
 3. Maximum Donation Per Employee: No individual employee may donate more than forty (40) hours to a particular Sick Leave Donation Bank.
 4. Maximum Donation per Sick Leave Donation Bank: The maximum cumulative amount of sick leave that may be donated to a particular Sick Leave Donation Bank is four hundred eighty (480) hours.
- D. Responsibilities Under the Policy: The development and use of a Sick Leave Donation Bank carries with it a shared responsibility between City's management and individual employees desiring to participate in the program. The respective responsibilities are set forth below:
1. The Requesting Employee: The requesting employee will prepare and submit to the Human Resources Director a "Request to Establish a Sick Leave Donation Bank" form. Additionally, the requesting employee should submit a "Certification of Physician or Practitioner" form to the Human Resources Director in a sealed envelope labeled "Confidential – Request to Establish a Sick Leave Donation Bank." If the requesting employee is unable to make the request on their own behalf, the employee's Department Director may submit a request on the employee's behalf.
 2. The Program Administrator: The Human Resources Director will serve as the administrator of the Sick Leave Donation Program. The Administrator

will receive the confidential statement from the requestor's physician in a manner consistent with the Federal Family and Medical Leave Act and the California Family Rights Act. The Personnel Officer will approve or deny the establishment of a requested Sick Leave Donation Bank, in accordance with the requirements of this Policy. If the request is approved, the Bank shall be established and the Administrator will publicize the request with the statement approved by the requestor. The Administrator shall approve or deny each offered donation, if any, to the Sick Leave Donation Bank in accordance with the requirements of this Policy. The Administrator shall determine when the Sick Leave Donation Bank shall be abolished.

3. The Donating Employee: A donating employee will prepare and submit to the Human Resources Director a "Request to Donate to Sick Leave Donation Bank" form.
4. The Finance Department: The Finance Department will make the appropriate payroll and leave balance adjustments for both the recipient and any donors. The Finance Department will coordinate the usage of hours from the Sick Leave Donation Bank and the integration of any other benefits therewith, if applicable. If hours are remaining in the Sick Leave Donation Bank at the time it is abolished, the Finance Department will credit all donors' leave balances with a pro rata share of the hours remaining in the Bank in accordance with the number of hours each donor contributed.

SEC. 9.15 VICTIM LEAVE

Victims of domestic violence and/or sexual assault shall be permitted unpaid leave in accordance with *Labor Code* sections 230(c) and 230.1. Victims of a violent or serious felony or a felony involving theft or embezzlement shall be permitted unpaid leave in accordance with *Labor Code* section 230.2.

SEC. 9.16 SCHOOL VISITATION LEAVE

RULE X. **LAYOFF/SEPARATION/RETIREMENT**

SEC. 10.1 ELIMINATION OF POSITIONS

Decreased public interest or changes in the City's fiscal priorities may result in the elimination or curtailment of a public service activity which may therefore require the layoff of one or more employees.

SEC. 10.2 LAYOFF PROCEDURE

Any employee may be laid off because of either the abolishment of the Position or a determination by the City Manager that there is a shortage of work funds. Said layoff shall not be subject to appeal. The procedures of the City of Buellton Municipal Code Section 2.60.190 shall be followed.

SEC. 10.3 RESIGNATIONS

Resigning employees shall be required to file a written resignation stating the effective date and reason(s) at least two (2) weeks prior to leaving the City's service, unless the time limit is waived by the City Manager. The resignation date should be the last day the employee actually worked.

SEC. 10.4 TERMINATIONS

The City Manager may terminate:

- A. Employees at any time while they are on probation.

2. Written Reprimand: Written reprimand as a Disciplinary Action means an official notification of the employee that there is cause for dissatisfaction with his/her services and that further disciplinary measures may be taken if said cause is not corrected. Official reprimand shall be given in the manner and on forms prescribed by the Personnel Officer. The maximum reduction in pay that may be given for any one Disciplinary Action shall be two (2) steps within the range for that Class. Reduction in pay shall become effective on the first of the month following the effective date of the Disciplinary Action. Prior to the imposition of the reduction in pay, employees shall be provided with a Notice of Disciplinary Action which sets forth the effective date and specific reasons for the reduction in pay. The Notice of Disciplinary Action

shall also include copies of all written materials supporting the reduction in pay. The employee's right of appeal is limited to the Complaint Procedure in Section 13.4.

- B. Serious Disciplinary Actions : Serious Disciplinary Actions require due process as set forth in Rule 12.4. Serious Disciplinary Actions include the following:
1. Reduction in range equivalent to a five (5) or more working day suspension without pay.
 2. Suspension without pay for five (5) or more working days, but not more than thirty (30) working days. Suspension without pay shall be a temporary separation from City service.

 4. Dismissal means the discharge of an employee from the City service on the initiative of the City Manager. Such termination of employment shall be permanent.

SEC. 12.4 PROCEDURES FOR SERIOUS DISCIPLINARY ACTIONS

- A. Notice of Proposed Disciplinary Action : In instances of serious Disciplinary Actions as defined in Section 12.3.B, employees shall receive a written notice of proposed Disciplinary Action.

 3. The notice of proposed Disciplinary Action shall inform the employee of his/her right to respond, either orally or in writing, to the Department Director or City Manager, as appropriate, within five (5) working days of the date of the notice of proposed Disciplinary Action if it was personally delivered, or within seven (7) working days of the date of the notice of proposed Disciplinary Action if it was delivered by United States mail. If the employee requests to respond orally to the notice of the proposed Disciplinary Action, the Department Director or City Manager, as appropriate, shall schedule a meeting as soon as possible.
- B. Notice of Decision : After review of the employee's timely written response, if any, or following the conclusion of the meeting, the Department Director or City Manager, as appropriate, shall issue and deliver to the employee a Notice of Decision which shall be a written statement of the decision to uphold, modify, or reject the proposed Disciplinary Action. Such action to be taken may not include

discipline more severe than that described in the notice of proposed Disciplinary Action. The Notice of Decision shall be served within seven (7) working days after the receipt of the written response or the conclusion of the meeting, whichever is later.

C. Disciplinary Appeal Hearing:

1. Right to a Disciplinary Appeal Hearing: Any employee who has received a Notice of Decision imposing serious Disciplinary Action shall be entitled to request an evidentiary appeal of the imposition of discipline.
2. Requesting a Disciplinary Appeal: An employee wishing to appeal the imposition of a serious Disciplinary Action shall initiate the appeal by filing a written request with the City Manager within five (5) working days of the date of the Notice of Discipline if it was personally delivered, or within seven (7) working days of the date of the notice of imposition of discipline if it was delivered by United States mail. The request shall be addressed to the City Manager, and shall identify the subject matter of the appeal, the grounds for the appeal, and the relief desired by the employee. All disciplinary appeal hearings shall be conducted in private unless the employee requests a public hearing.
3. Designation of Hearing Officer:
 - a. When a person other than the City Manager imposes the Disciplinary Action, the City Manager may choose to act as the Hearing Officer and conduct the hearing himself/herself and make the final decision;
 - b. When a person other than the City Manager imposes the Disciplinary Action, the City Manager may refer the hearing to an outside Hearing Officer, who will be selected by a method mutually agreed to by the employee and City Manager, to conduct the hearing and provide advisory findings and recommendations before the City Manager makes the final decision; or
 - c. The City Manager may refer the hearing to an outside Hearing Officer who will be selected by a method mutually agreed to by the employee and City Manager to conduct the hearing and make the final decision on the appeal. The City Manager shall delegate authority to a Hearing Officer in this manner whenever the City Manager imposed the Disciplinary Action under appeal or whenever the appealing employee demonstrates significant bias on the part of the City Manager that disqualifies him/her as a neutral reviewer of that appeal.
4. Scheduling the Disciplinary Appeal Hearing: The City Manager shall schedule the disciplinary appeal hearing within a reasonable time after the

designation of a Hearing Officer, considering the availability of the Hearing Officer, the employee, and any witnesses.

5. Representation and Employee Appearance at Disciplinary Appeal Hearing: The employee is entitled to be represented by counsel or other representative at the disciplinary appeal hearing. However, an employee who requests a disciplinary appeal hearing must be present during the disciplinary appeals hearing. Failure to be present shall constitute a waiver of the employee's right to an appeal. Waiver will not occur if the employee can demonstrate good cause for his/her failure to be present within three (3) working days from the date the employee fails to appear.

D. Conduct of Disciplinary Appeal Hearings: The proceedings before the Hearing Officer shall be conducted as follows:

1. All parties shall have the following rights:
 - a. To call and examine witnesses;
 - b. To introduce exhibits;
 - c. To cross examine opposing witnesses on any matter relevant to the issue, even if the matter is not covered in the direct examination;
 - d. To impeach any witness regardless of which party first called him/her to testify;
 - e. To rebut the evidence against them; and
 - f. To present oral and written arguments
2. The City shall have the burden of proof, and the burden shall be by the preponderance of the evidence.
3. The hearing shall not be conducted in accordance with the technical rules relating to evidence and witnesses, but shall be conducted in a manner most conducive to the determination of the truth. Any relevant evidence may be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules which might make improper admission of such evidence over objection in a court of law. The Hearing Officer's decision shall not be invalidated by any informality in the proceedings.
4. Hearsay evidence may be used for the purpose of explaining any direct evidence but shall not be sufficient in and of itself to support a finding, unless it would be admissible over objections in civil actions.
5. The Hearing Officer shall not take testimony from one (1) party outside the presence of the other.

6. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions.
 7. Irrelevant evidence and unduly repetitious evidence shall be excluded.
 8. The Hearing Officer shall determine the relevancy, weight, and credibility of testimony and evidence.
 9. The Hearing Officer shall have the power to exclude any witnesses.
- E. Issuance of Decision: Within thirty (30) days after the close of the hearing, a written statement of decision, containing findings of fact and conclusions of law, shall be issued by the Hearing Officer. The Hearing Officer shall have the authority to affirm, revoke, or reduce the Disciplinary Action imposed against the employee. The Hearing Officer may not provide for discipline more stringent than that imposed by the City. When the Hearing Officer presents an advisory opinion to the City Manager, the City Manager shall have an additional fifteen (15) days to consider the advisory opinion and any written objections to the advisory opinion filed by the parties before the City Manager must issue a final decision. The parties shall have seven (7) days from the date the advisory opinion is issued to file written objections with the City Manager.

The Hearing Officer's decision constitutes a final resolution of any Disciplinary Action and no further appeal shall be permitted within the City's administrative process. A copy of the Hearing Officer's decision shall be provided to the employee.

Notwithstanding the above, the Hearing Officer shall not have binding authority to add, modify, or subtract from the Personnel Rules, or any resolutions, ordinances, or policies adopted by the City. Further, the Hearing Officer shall not have the authority or power to render a binding decision that requires the City to expend additional funds, to hire additional personnel, to buy additional equipment or supplies, or to pay wages or benefits not specifically provided for in the Personnel Rules, or any resolutions, ordinances, or policies adopted by the City. The Hearing Officer shall not have the authority to require the City to perform any other action that would violate state or federal laws.

- F. Judicial Review: An employee may seek judicial review of the final decision by the Hearing Officer in accordance with Section 1094.5 of the California *Code of Civil Procedure* by filing a petition for a writ of mandate. Section 1094.5 of the *Code of Civil Procedure* requires that the petition writ of mandate must be filed not later than the ninetieth (90th) day following the date on which the Hearing Officer's decision becomes final.

SEC. 12.5 ADMINISTRATIVE LEAVE WITH PAY

An employee may be placed on an Administrative Leave with Pay to allow the City time to fully investigate the facts of an alleged violation, while the Disciplinary Action is in process, or when the Personnel Officer determines that it is in the best interests of the

City. The employee must be reasonably available by telephone during his/her normal working hours and able to report to the City within sixty (60) minutes if directed to do so. When an employee is placed on Administrative Leave with Pay during this investigation, he/she shall not discuss the alleged violation or the Disciplinary Action with anyone, except a representative of his/her choice. Failure to remain reasonably reachable by telephone or to report to the City within sixty (60) minutes of being directed to do so shall be considered insubordination, and could result in additional Disciplinary Action. The employee shall be informed that communicating with others, except a representative of his/her choice, about a pending investigation constitutes insubordination and is a separate and independent ground for discipline. This section is not intended to prevent the employee from communicating with his/her legal counsel.

SEC. 12.6 TIME EXTENSIONS

Any time limitations or requirements as set forth under this Rule may be extended or changed by mutual written agreement of the parties.

SEC. 12.7 DELIVERY OF NOTICES

When notice is required under this Rule, the notice shall be given to the affected employee either by delivery of the notice to the employee in person; or if the employee is not available for personal delivery, by placing the notice in the United States mail, first Class, postage paid, and by Certified Mail, return receipt requested, in an envelope addressed to the employee's last known home address. It shall be the responsibility of the employee to inform the City, in writing, of his/her current home address and of any change in such address, and the information so provided shall constitute the employee's "last known home address". Such personal delivery or mailing shall be presumed to provide actual notice to the affected employee.
