

# Buellton Buzz

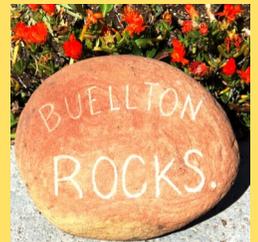

April 2019

## A Note from Mayor Holly Sierra...

Get ready for some exciting changes in town. At an earlier Council meeting we reviewed some of the goals from our Vision Plan. We noticed that "Arts and Culture" has not been addressed. City Council members committed to a two year plan to bring arts and culture to our incredible town. What does this mean? We're going to ask our residents for input - please! This subject covers so much. What do you want to see? Where? Please let me, Council members and City staff know what this town needs! We will be budget planning the next couple months and could use your input in that as well. Our budget is made for two years, so step up and let us know what's important to you.

As always I can be reached at [hollys@cityofbuellton.com](mailto:hollys@cityofbuellton.com), (805)252-2618 (please leave a message), Mayor's hours are Wednesday's from 2-4 p.m. at the City Planning Department. Better yet, come to a City Council meeting the second and fourth Thursday at 6 p.m. in the Council Chambers located at 140 W. Highway 246.

## SYV EARTH DAY 2020 NEEDS YOU!

The Santa Ynez Valley Botanic Garden has traditionally organized and hosted one of the most successful Earth Day events in our region. Held at beautiful River View Park in Buellton, the fun, festive, sustainability-minded event has been a local gem, drawing thousands of visitors to the Santa Ynez Valley and its local businesses.

**Earth Day 2020: the 50<sup>th</sup> Anniversary**  
**Let's plan the biggest and best SYV Earth Day celebration!**

**Be part of the core group that makes it all happen!**

**Please join us at the Earth Day 2020 Kick-off Meeting:**

**April 17, 2019, 3:30 to 5:30 pm,**  
**Buellton Recreation Center, Room A**  
**301 Second Street, Buellton**

We are reaching out to a wide net of community groups and people that may have an interest in Earth Day. The goal is to brainstorm ideas for the annual event and to ultimately form an Organizing Committee for implementing future Earth Days. (Note: attendance at the Kick-Off Meeting does not commit you to being on the Organizing Committee.)

Come and share your ideas

RSVP by April 10 to Clare Barcelona at [clareb@cityofbuellton.com](mailto:clareb@cityofbuellton.com)

*Thank You, SYV Botanic Garden and Buellton Green Team*

## CityTV Survey We need YOUR input!

The City has a new survey out regarding CityTV and we'd like your input! Please find the survey link on the City's website.

Survey open through April.

**HYDRANT PAINTING**

If your street was recently slurry sealed, you can expect to see fire hydrants in your neighborhood to get a fresh coat of yellow paint in the next couple of months! As part of our Road Maintenance Program, we follow-up with improvements such as hydrant painting and new street name signs to improve the neighborhood.
