## A Note from Mayor Holly Sierra .....

Greetings! What a wonderful time of year we're going into. We may not have snow (thank goodness!) but we definitely have four seasons. Get out and enjoy the crisp morning and evening weather.

This is also an election year. November 6th is our general election and it's so important to have a voice. Not only is Measure A and local elections happening but also state and federal decisions to determine as well. Find out about these issues, make informed choices and vote!

This is also a good time to look at volunteering. There are so many great non-profit organizations in our community. If you love animals there's the Humane Society and PAWS Dog Park. If you're into gardening our Santa Ynez Botanic Garden is looking for help. Our Senior Center and Buellton Senior Thrift store need volunteers, and so does our library. Even an hour or two a week could make a big difference. If you have an interest and want to get involved, give something back to the community, this is a great starting point.

I love hearing from you. Please email me at [hollys@cityofbuellton.com](mailto:hollys@cityofbuellton.com), call me at (805)252-2618 (leave a message) or come to Mayor's hours on Wednesday's from 2-4 in the Planning Department.

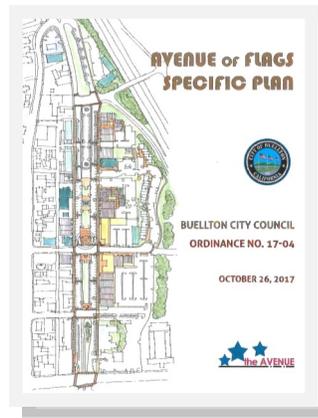

Enjoy our beautiful town - I feel so lucky to live and play here!
