Subject: Discussion Regarding Suggested Changes to River View Park Reservation Application, Special Event Permit Application and Limits on Special Events

BACKGROUND

Overview

Over the past several years, use of River View Park has been increasing, both for regular group reservations and for special events. The impacts on neighboring residents, staff time, and general public use of the park have made it necessary to address these issues and explore possible adjustments to our park reservation system. At Council direction, staff has reviewed current application forms and policies for both regular group reservations and special event park use. After ample research of similar facilities in other jurisdictions and internal evaluation of areas of current park use policy that need improvement, staff has provided recommended revisions to the current River View Park Reservation Application (Attachment 1) and Special Event Permit Application (Attachment 2). In addition, staff has recommended a tier system to limit the number and size of special events allowed annually at River View Park.

At their April 23, 2015 meeting, the City Council directed staff to bring this item to the Commission for your review and recommendation.

Suggested Changes to River View Park Reservation Application

Staff recommends revisions to the deposit amounts and format of the River View Park Reservation Application as shown in Attachment 1.

Suggested Changes to Special Event Permit Application

Staff researched special event policies and procedures of comparable cities including Solvang, Lompoc, Pismo Beach, Santa Barbara, and Newport Beach. Staff recommends revisions to the insurance specifications and adding a staff time component and notice of event limits at River View Park to the Special Event Permit Application as shown in Attachment 2.

Limits on Special Events

After analyzing comparable cities, park capacity and number and nature of recent event requests, Staff recommends the following tier system to limit the number of special events by outside user groups allowed annually at River View Park:

- Up to 2 event per year of 2500-3000 attendees (e.g. Vintner's Festival)
- Up to 3 events per year of 1000-2500 attendees (e.g. Simply Aloha)
- Up to 5 events per year of under 1000 attendees (e.g. Dog Agility Trials)

FISCAL IMPACT

This item, in itself, will have no fiscal impact.

RECOMMENDATION

That the Commission discuss suggested changes to the River View Park Reservation Application, Special Event Permit Application, and placing limits on the number and size of special events allowed annually at the Park and provide a recommendation to Council.

City of Buellton

Special Event Permit Application

It is the City's desire that all groups and individuals who would like to stage a special event *which utilizes public facilities* (medians, streets, sidewalks, parks etc.) and *has a significant impact on the community* be able to do so in a manner which assures both the safety of the public and the success of the event. An application and agreement process has been set in place to achieve these goals.

Special Events FAQs

Q: Who needs to complete a Special Events Application?

A: Any group or individual who would like to put on an event that will **1) utilize public facilities** (e.g., medians, streets, sidewalks, parks, etc.) and/or **2) have a significant impact on the community**. For example, a street festival or parade on the Avenue of Flags or its landscaped medians would require a Special Events Application. A private party at River View Park would not (there is a simple form for group picnic area reservations at the Park on the City website).

Q: How far ahead of time does an event sponsor need to complete a Special Event Permit Application?

A: A Special Event Permit Application must be submitted *at least 45 days before the event* (movie film crews may be allowed to apply for a permit on shorter notice). Each application is reviewed on a case-by-case basis by multiple departments within the City to determine the need for security, traffic management, waste disposal, and other considerations that accompany special events. During this time, a representative from the City Events Committee will work with the sponsor to address any concerns regarding the event and to obtain compliance with any conditions the City may require in order to permit the event.

Q: Is there a fee associated with the Special Events Application?

A: There is a \$100 fee to process your Special Events Application, *and there are costs associated with putting on a special event that are the responsibility of the event sponsor*. All events are required to carry a minimum of one million dollars (\$1,000,000) liability insurance naming the City as additionally insured *for the entirety of time City property is being used, including set up and clean up*. All events with over 50 people in attendance are required to provide a damage deposit of \$500 to the City. Additional costs depend on the size and scope of the event and services required (these will be detailed in the application). For example, if the event requires Sheriff's involvement for traffic control, etc. a deposit in the amount of \$4,600 will be required.

Q: When will the event be approved and when can it be publicized?

A: After the City has reviewed the Application and addressed any concerns regarding the event, an official Special Event Permit will be issued. Then, and only then, is the event approved. This document will permit the event as described in the Application and may include conditions of approval depending on its size and scope. Only after the Special Event Permit has been issued should publicizing of the event occur.

Q: Is there a limit on the number or size of special events at River View Park?

A: Yes, the limits on the number or size of special events at River View Park are as follows:

Up to 1 event per year of 2500-3000 attendees

Up to 3 events per year of 1000-2500 attendees

Up to 5 events per year of under 1000 attendees
